

# ***Community Outreach***

*Sacramento Valley Association of Building Officials*

## **Project up-date**

SVABO would like to invite members of the Napa- Solano Chapter to get involved with the Community Outreach Program.

The focus of Community Outreach is to find a couple of projects each year which benefits the community or a family in need.

Mike Rodriguez B.O from Dixon presented a project for the committee in Dixon, which was approved by the committee at December's meeting. The project is located downtown Dixon and was tagged as a "Nuisance Bldg". The homeowner is 74 years old who lived in the house with her daughter. She was ripped off by a contractor who left the house uninhabitable condition. The city of Dixon has moved the homeowner into a hotel and put up \$50,000.00 to repair the property.

SVABO members are hoping to have members from the Napa-Solano chapter join in for this event. We will be meeting at the site *February 23rd and February 24th at 9:00 am*. You can come either day or both, stay as long as you can. Everyone is welcome to join in and participate with this great charitable project!

We will be cleaning up the site and preparing everything for the contractor to come in and rebuild the house. Then we will meet a second time to paint, trim and put everything together so the resident can move back into the house. Details for the finish will become available once construction has been completed.

For contact information you may call Craig E. Sarmento at (916) 646-5767 direct line or (916) 869-2812, Email: [sarmentoc@beutler.com](mailto:sarmentoc@beutler.com)

Please RSVP if you can make it.

ADDRESS of SITE: *351 West B Street, Dixon*

**See You There!!!**
